Subject: Freedom of Information Act (FOIA) BOR-2019-00217 Acknowledgement Letter

Jimmy Tobias:

The Reclamation Denver FOIA office received your FOIA requests, dated August 2, 2019, and assigned it FOIA control number BOR-2019-00217. Please cite this number in any future communications with our office regarding your request.

You requested:

- Any and all written or electronic communications, including email attachments, sent or received by Brenda Burman that relate to the title transfer or proposed title transfer of irrigation infrastructure to water contractors of California's Central Valley Project.
- Written or electronic communications, including email attachments, that contain one or more of the following words or phrases: WIIN.

We have classified you as a representative of the news media. As such, we may charge you for some of our duplication costs, but we will not charge you for our search or review costs; you also are entitled to up to 100 pages of photocopies (or an equivalent volume) for free (see 43 C.F.R. § 2.39). If, after taking into consideration your fee category entitlements, our processing costs are less than \$50.00, we will not bill you because the cost of collection would be greater than the fee collected (see 43 C.F.R. § 2.37(g)). You can expect to hear from us promptly regarding the outcome of this search.

We use Multitrack Processing to process FOIA requests. The Simple track is for requests that can be processed in one to five workdays. The Normal track is for requests that can be processed in six to twenty workdays. The Complex track is for requests that can be processed in twenty-one to sixty workdays. The Exceptional/Voluminous track is for requests requiring more than sixty workdays for processing. The Expedited track is for requests that have been granted expedited processing. Within each track, requests are usually processed on a first-in, first-out basis.

Your request falls into the “Complex,” processing track. We therefore expect that we will dispatch a determination to you by September 16, 2019.

You may narrow the scope of your request to obtain quicker processing in your currently-assigned track or move the request into a faster track (which may have the effect of reducing the cost of processing your request). If you have any questions about this, please contact us.

Thank you,

Jesse Caro - Acting  
Reclamation FOIA
